To: Louisiana Board of ETHICS

In reference to your recent letter on Campaign Finance Disclosure Report that states I did not submit one. I am in total disagreement with notice. All reports was submitted on required dates. I lost in primary election and did file that report after election.

I am respectfully requesting a waiver from the Louisiana Board of Ethics. There was no money donated to this campaign. All money was out of pocket spent which was small amount and under \$500.00.

Sincerely,

  
George Fuller
